

MENOMONIE BICYCLE/PEDESTRIAN ADVISORY COMMITTEE
MARCH 26, 2012

The Menomonie Bicycle/Pedestrian Advisory Committee met on March 26, 2012. Committee members in attendance included: Logan Mather, Mark Mastalir, Kate Kamschuster, Rory Fedderson and Don Kuether. Also in attendance were Charlie Jones, Wendy Sander and Randy Eide. Dr. Mark Deyo-Svendson was introduced as a possible new member of the Advisory Committee. Dr. Deyo-Svendson's appointment to the Committee was being acted on by the Plan Commission later in the evening.

A motion was made by Mastalir, seconded by Kuether, to approve the Committee Minutes dated February 27, 2012. Motion carried.

Eide introduced a draft Bike Parking Ordinance to the Committee. After some discussion and several recommendations to include adding an incentive for reducing automobile parking spots if bicycle racks are included in the project, the Committee requested a second review of the ordinance at next month's meeting.

The Committee agreed to producing four different newspaper articles (one per week) during Bicycle Safety Month.

A review of trail construction status was provided by Administration. The Committee asked to look at pedestrian/bicycle travel in North Menomonie during next month's meeting.

Under "Other Concern's Around the City" the following items were identified:

- Broken sidewalk ramp at Pine and Broadway
- Review the pedestrian signal crossing for HWY 25 at the HWY 25 and Cedar Falls Rd intersection
- Paint the bicycle stripes on HWY 29 (Broadway to the Red Cedar River)

Open areas of concern noted by the Committee at past meetings include:

- Shoulder paving on HWY29 east of Red Cedar St

The meeting was adjourned. Next meeting is scheduled for March 26, 2012 at 6:00 pm at City Hall.

Respectfully submitted,

Randy D. Eide,
Recording Secretary
